

To Whom It May Concern:

It is a genuine pleasure and honor to recommend Anita Remme owner of Doe Valley Printing to perform all your printing needs. In my capacity as President of the Carter County American Little League, I have worked closely with Anita for the past four years. Her work has included multiple uniforms for up to forty five teams, fundraising apparel, hats, and much more. Doe Valley printing offers top-notch quality, service and rates. Across the board we are always very pleased with their work. Anita is a hard-working and responsible individual and I am delighted to provide this recommendation on her behalf.

One project in particular that really impressed me with her service was the first year we used Doe valley Printing. Our other printer was not going to make our deadline. I approached Anita with only one week to order, print, and deliver nine teams worth of uniforms. I received a call in five days, they were complete. Then I was really amazed of the high quality at a much lower price than we had been paying.

Please consider Doe valley Printing for all your printing needs. I recommend them and look forward to working with them again.

Sincerely,

Lee Woodby
President
Carter County American Little League
